

Product Profile

SME Package

The operating environment for businesses can be a challenging one for businesses to navigate. As a Small and Medium Enterprise (SME), we understand that you need an insurance plan that is easy to purchase and offers comprehensive cover for your business.

As one of the top general insurance companies in Singapore, AIG offers SME Package insurance that protects your business while you focus on operations and growth.

You can choose from three different plans for a packaged product with essential coverage that are designed for micro and small business, or opt for bespoke solutions if your insurance needs are more complex.

When you are insured by AIG, you can rely on our financial strength and support from our claims professionals to help you recover quickly if the unexpected happens.

Quick Fact

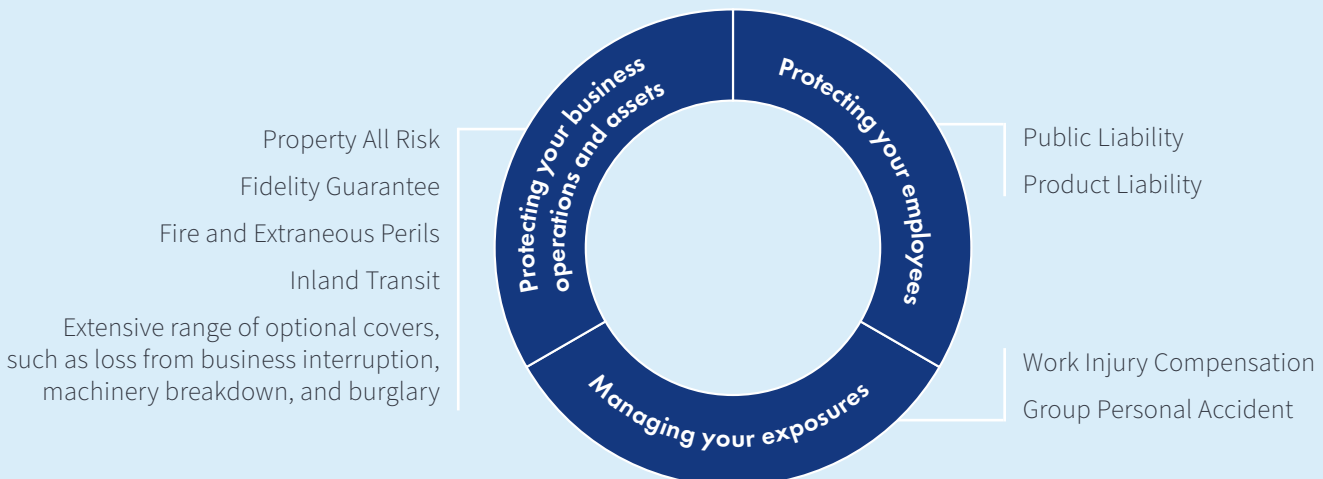

The Work Injury Compensation Act mandates that all employers must provide work injury compensation insurance for their employees from designated insurers.

AIG is one of the designated insurers, and our SME Package insurance includes this mandatory cover and more. Visit www.aig.sg/smepackage or contact your agent for further details.

Getting the Right Coverage

Selecting the right insurance coverage for your business can be a complex task. At AIG, we understand that you need a solution that is comprehensive and flexible. With our SME Package insurance, you can choose a standard package and select the cover you need to create a tailored solution or opt for a pre-underwritten plan if your business is in one of the select industries.

Regardless of the type of SME Package insurance you select, you can be assured that you will get coverage in the three essential areas that SMEs need to protect.

Claim Scenarios

Our experienced claims professionals have in-depth knowledge and expertise in claims handling for SMEs of all sizes. Below are just a few examples to illustrate how our SME Package insurance protects your business against the unexpected.

Scenario 1

Faulty electrical equipment caused a fire at a retail store, resulting in damage to the premises and goods.

Documentation required when submitting the claim:

- Photographs of the damage
- Quotation for repair works

Scenario 2

A cook at a restaurant tripped while preparing food orders, resulting in a serious leg injury. The cook was medically unfit to work for a month, and needed medical and rehabilitation treatments as well.

Documentation required when submitting the claim:

- Payslips for past 12 months from the accident
- Incident report
- Medical bills, reports and certificates

Scenario 3

A company vehicle from a transportation firm met with a traffic accident while delivering goods to a customer's factory, resulting in extensive damage to the goods.

Documentation required when submitting the claim:

- Delivery order
- Traffic Police accident report
- Commercial invoice for the goods

Scenarios are purely for illustration purposes. Policy coverage will depend on the policy terms, conditions, exclusions, and the factual circumstances of the particular claim.
