FAQs

Does AIG Domestic Helper Insurance fulfil the MOM's latest requirements and how should I select the plan?

All our plans issued with period of insurance starting from 1 July 2023 fulfil the MOM's latest requirements. We offer higher tiered Elite and Premier plans for those who prefer more coverage and better protection.

When should I purchase the insurance cover?

Please purchase the insurance at least three working days before your migrant domestic helper arrives in Singapore. This will allow for sufficient time for the processing and transmission of the security bond details to the MOM.

Can I still add the Waiver of Security Bond benefit after the policy commences?

Yes, you can add the benefit within 30 days from the effective date of the policy by getting in touch with us and paying an additional premium.

How do I determine the period of insurance start date for the policy?

The policy start date depends on the domestic helper's work permit status as outlined below:

Work Permit Status	Period of Insurance (Start Date)
New	On or before the domestic helper's arrival date in Singapore
Transfer	The day you apply for issuance of the domestic helper's new work permit (typically the agreed upon transfer date)
Renewal	One day after the current work permit's expiry date
