Change of Servicing Agent (Private and Commercial Vehicles)

Vehicle No. : _____ Policy No. : _____

I / We, _____ of NRIC No. / ROC No. _____,
(Name of Policyholder) (NRIC / ROC No.)

wish to appoint _____ (Agent's Name) (Agent's Code) to service my / our motor insurance

policy due to _____.
(Reason)

I / We have been informed that my / our current motor insurance plan (Pls tick one box) : Auto Protector AutoPlus AutoPlan
AutoValue Ride Share Elite AutoPlan TPFT TPO

will be changed to (Please tick one box) : AutoPlus AutoPlan AutoValue Ride Share Elite AutoPlan TPFT TPO

I / We fully understand the implications following our request for the change of servicing agent/broker. In the event that my/our request for the change in servicing agent/broker resulted in a change of motor insurance plan, I/We specifically noted the following key differences of the various plans:

- AutoPlan** – This is a standard plan with flexibility for accident repairs to be done at any workshop of my choice, including but not limited to dealer's workshops.
- AutoPlus** – This is an authorized workshop plan that allows accident repairs at dealer's workshop if my vehicle is less than 3 years old. Otherwise, all repairs must be done at AIG's authorised workshops.
 - IMPORTANT** - For private vehicle, I/We may enjoy up to full waiver of excess (subject to NCD level and maximum waiver of S\$1,000) if it is my first claim and that I am the driver of the vehicle at the time of the accident; and
 - free breakdown towing and roadside assistance within Singapore.
- Auto Protector** – This is a dealer's endorsed plan packaged with unique benefits in which some of these benefits may be exclusive. The plan allows accident repairs to be done at the dealer's workshop where original parts are used and repairs are done by trained technicians in accordance to manufacturer's specifications, to ensure the vehicle warranty, where applicable, remains valid.
 - IMPORTANT** – As Auto Protector Cover for different vehicle make may have different unique benefits, please check specifically your current Policy Excess, Windscreen Cover Excess, Loss of Use Replacement Car Benefit, NCD Protector and other benefits.

Apart from the above key points to note, I am aware of the changes (where applicable) to the coverage, benefits and the applicable policy terms and conditions.
