- We will only pay for evacuation, repatriation and third party transportation if the *treatment* for which, or because of which, the evacuation or repatriation is necessary is covered under this *policy*.
- All decisions as to:
 - the *medical necessity* of evacuation or repatriation;
 - the means and timing of any evacuation or repatriation;
 - the medical equipment and medical personnel to be used; and

You are advised to also refer to the Policy Rules, which will prevail in the event of a conflict between the two documents and which contains the terms and conditions, definitions and general exclusions. The Customer Guide also shows the limits which apply to benefits. Please consult your insurance advisor or AIG should you require further explanation. AIG Asia Pacific Insurance Pte. Ltd. have partnered with Cigna Europe Insurance Company S.A.-N.V. – Singapore Branch (Cigna) to bring you AIG Medi-Care, underwritten by AIG, and administered by Cigna.

1. Termination, please see clause number 6 in Policy Rules

Subject to any conflicting legal or regulatory requirements we may terminate this policy for all beneficiaries immediately if:

- 6.1.1 Any premium or other charge (including any relevant tax) is not paid in full within thirty (30) days of the date on which it is due. We will give you written notice if we are going to terminate the policy for this reason; or
- 6.1.2 It becomes unlawful for us to provide any of the cover available under this policy or we are required to terminate the policy in any particular jurisdiction or territory at the direction of a regulator or authority with competent jurisdiction; or
- 6.2 We, at our sole discretion determine, on reasonable grounds, that you have, in the course of applying for the policy or when making any claim under it, withheld information or knowingly or recklessly provided information which you know or believe to be untrue or inaccurate or failed to provide information which we have asked for, including medical information; or
- 6.3 Subject to the terms and conditions of the policy, we may terminate the policy if any beneficiary ceases to be an expatriate whether as a result of a change to a beneficiary's country of nationality or country of habitual residence.
- 6.4 We are no longer in the market to sell the policy or suitable alternative in your geographical area. We will notify you at least one (1) month before the end date to advise you that the policy will be terminated (and therefore unable to be renewed) with effect from the end date.
- 6.5 If you want to terminate this policy and end cover for all beneficiaries, you may do so at any time by giving us at least fourteen (14) days' notice in writing. Termination of your policy will take effect fourteen (14) days after you, the policyholder, notifies us of the request by using one of the options in the 'How to contact us' section on page 3 of the Policy Rules.

- 6.6 In relation to the period after your cover has ended, unless your policy is terminated in accordance with clause 6.2 and/or clause 7 of the Policy Rules, then any premium which has been paid in relation to the period after cover has ended will be refunded to the extent that it does not relate to a period of time in which we have provided cover, so long as we have not paid any claim, or issued any guarantee of payment during the period of cover.
- 6.7 If treatment has been authorised, we will not be held responsible for any treatment costs if the policy ends or a beneficiary leaves the policy before treatment has taken place.

2. Policy Renewal

This policy is an annual contract. This means that, unless it is terminated earlier or renewed, the cover will end one year after the start date. This is a short-term accident and health policy and AIG is not required to renew this policy. AIG may terminate this policy by giving you 30 days' notice in writing.

If we determine to renew, we will write to you at least one (1) calendar month before the end date to invite you to renew on the terms we offer you. We will inform you of any changes to the policy and premium for the forthcoming period of cover. Premium rates are not guaranteed and may be adjusted based on future experience. The policy is not a Medisave-approved policy and you may not use Medisave to pay the premium for this policy. If local law and/or regulation dictates, we may be required to offer you an alternative health plan. Subject to clause 7 of the Policy Rules, any decision by AIG not to renew shall not be based on your claims history or any illness, injury or condition suffered by any beneficiaries.

If you accept the invitation to renew, please ensure you have read and understood the policy documents for the forthcoming period of cover. Your cover will be renewed for another twelve (12) months.

If you do not want to renew your cover, you must let us know in writing at least fourteen (14) days before your policy end date. 9. Claims

Please contact Cigna's Customer Care Team for prior approval for all treatment using the following numbers:

Singapore: +65 6549 3188

International: +44 1475 333420

We can help you arrange your treatment plan, and point you in the right direction, saving you the time and hassle of looking for a hospital, clinic or medical practitioner yourself. We can liaise directly with your treatment provider to ensure the treatment that you are about to undertake is covered under your policy and issue a prior authorisation. We can also liaise directly with your treatment provider to arrange direct billing by issuing a guarantee of payment.

We appreciate that there will be times when it will not be practical or possible to contact us prior to treatment in an emergency and the priority is to get treatment as soon as possible. In circumstances like these, we ask that you or the affected beneficiary get in touch with us within 48 hours of receiving the treatment. This will allow us to confirm whether your treatment is covered and arrange settlement with your treatment provider. We may ask for further information, such as a medical report in order for us to approve treatment. We will confirm approval, and where applicable, the number of treatments approved.

If a beneficiary has been taken to a hospital, medical practitioner or clinic which is not part of our network, then

we may make arrangements (with the beneficiary's consent) to move the beneficiary to a Cigna network hospital, medical practitioner or clinic to continue treatment, once it is medically appropriate to do so.

For full details of our Claims process please refer to the Customer Guide.
