### 3. How is age calculated?

Age is calculated based on the last birthday.

### 4. Will the premiums increase with age?

Yes, if you take up Critical Illness &/or Daily Hospital Income (Illness) Benefits as these are age-banded. Premium is charged based on the age band at policy inception and at subsequent renewals. If, at renewal, your age falls into the next age band, the premium will be increased accordingly.

Premiums for Basic/Comprehensive plans and other Add-on Benefits will not increase with age.

### 5. Can the main insured and spouse be covered under different plans / benefits?

Yes, the main insured and the spouse can choose to be covered under different plans / benefits.

### 6. How does the Dependent Child Cover work?

Children enjoy free coverage of up to 20% or 25% (depending on their parents' Plan selection) of the following 3 benefits if both parents are insured under a single policy:

- 1) Accidental Death & Permanent Disablement;
- 2) Accident Medical Reimbursement; and
- 3) Mobility Aid & Ambulance Fees Reimbursement

If the parents are insured under different plans in the same policy, the children's coverage will be based on the lower plan - 25% if the lower Plan is Deluxe / Prestige; 20% if the lower Plan is Standard / Preferred.

This cover can be extended to the dependent children of insureds who are single parents, or widowed, for an additional premium of 50%.

### 7. Can I enroll if have pre-existing conditions?

All applications with declared conditions are subject to underwriting review and acceptance.

### 8. If I am enrolled after underwriting review, will my pre-existing conditions be covered?

No, we will not cover you for any pre-existing conditions under the policy.
